Product Data Sheet

Trapwell Spaghetti Comfort

Trapwell Spaghetti Comfort is constructed from soft vinyl loops, bonded together to form an open, free draining structure which provides the ultimate barefoot comfort and anti-slip protection. The seamless pattern means it is easy to cut to fit any shape and around obstructions, such as pool handrails. Designed with no backing, means the mat is reversible and very easy to clean.

Trapwell Spaghetti Comfort is available in five colours: blue, green, grey, red, and yellow, allowing you to choose the perfect option for your application.
