

Sentry

Sentry is a fantastic multi-purpose anti-slip hardwearing mat designed to be used for the most challenging of entrances. The honeycombe surface offers exceptional scraping action allowing the dirt and debris to fall through the mat. The bevel edges on all four sides prevent trips whilst the raised studs to the underside ensures the mat stays in place.

Features

- ◆ **Typical applications:** An all-round high-performance mat, ideal for residential, schools, universities, public buildings, sports facilities, shopping malls and offices.
