

EcoGround

Introducing EcoGround, our 100% recycled anti-slip mat made from recycled tyres. Designed to withstand the toughest conditions, both indoors and outdoors. Its honeycomb surface excels at scraping, effortlessly allowing dirt and debris to pass through. The rubber base guarantees no mat movement. With exceptional durability and weather resistance, it performs flawlessly even in the coldest temperatures. Available in two convenient sizes 60cm x 80cm and 80cm x 120cm. Additionally, the 80cm x 120cm mat can be easily expanded to fit any desired shape or size using connectors.

Connectors available on request.

Features

- ◆ **Typical applications:** Perfect for entrances, walkways, or ground protection in any environment.
- ◆ **Material:** Manufactured from 100% recycled tyres (average 1/2 tyre per mat).
- ◆ **Cleaning:** Easy to clean, simply vacuum, or wash with cold water.
- ◆ **Sustainability:** 100% recycled product. REACH compliant.
- ◆ **Warranty:** Lifetime.

Suitable for indoor and outdoor use
