

Oilzone Custom

Oilzone Custom is a customised version of Oilzone, tailored to any shape or size. Made from 100% nitrile rubber, its open cell structure and raised studs allow fluid and debris drainage, ensuring a dry, safe, and comfortable work surface. With highly visible orange bevel edges for added safety, it's perfect for wet or dry environments. Oilzone Custom offers exceptional anti-fatigue and anti-slip properties making it ideal for areas with frequent oil and chemical use.
